

UCECP Farmer's Market

You will not want to miss our UCECP Farmer's Market. The items being sold are going to be hand crafted by your children or locally grown. Children and teachers will be running this market together. Each class will have a special booth that they will be preparing throughout the week for the big sale. Items for sale will include: body butter, hand scrub, reusable shopping bags, special play dough, hand towels and cutting boards, garden stones, table top gardens and painted pots with flowers!

Come see your child and their classmates at our UCECP Farmer's Market!

Tickets will be sold for \$10 per item. No need for checks or cash...family's purchases can be added to their UCECP account.

Funds generated from this event will help send a teacher to the Learning and the Brain Conference!

Please join the UPO (union parent organization) from 9-9:30 in the gathering place for coffee and a bake sale.

Friday, May 6th from 9:00-11

9-9:30 Bake Sale and Coffee: Gathering Place

Farmer's Market 9:30-11 Located on the 3rd floor: Youth Room
