OUR CAMP MISSION

At UCECP we specialize in early childhood education. We know that play is a powerful tool in the development of neuron growth which lays the framework for lifelong learning. Each week's camp features hands-on, engaging themes that help children explore and understand their world while having **fun!** Best of all camp can be **completely flexible** with **advanced day/week sign up or same-day sign up** and **flexible drop-off and pick-up time** as well (*phone and/or email contact required*).
